## LANGUAGES

- English (Netive)
- Hindi, Gujarati (Fluent)

## WORK EXPERIENCE

### Full Stack Development (2024 - recent)

- Full Stack Developer currently pursuing training at Red & White multimedia Institute.

## PROJECTS

### Yellow Cart Food

- Briefly mention your food type, highlight what makes it special (like local ingredients or unique dishes), and tell your story to connect with your audience, using sensory words to make the food sound delicious.
- <https://github.com/RATHOD122006/YELLOW-CART.git>

### Book Store Details.

- A web application built using Node.js, JavaScript, EJS (Embedded JavaScript), and CSS that presents detailed information about books. It features server-side rendering for book details, uses a structured template system (views), and provides clean UI styling to display book info
